Do you know a city/town that should be recognized as a Healthy Utah Community?

Get Healthy Utah and the Utah League of Cities and Towns are excited to announce Healthy Utah Community, a new designation program for cities and towns. This program is designed to highlight the work being done in communities throughout Utah that supports and improves the health of residents. The award will be given bi-annually at the Utah League of Cities and Towns Midyear Conference and Annual Convention.

To qualify for the Healthy Utah Community designation program, all cities/towns must have a Community Coalition and at least 6 other strategies (for a total of 7). Applicants must have at least one strategy from each of the 4 categories-Collaboration, Access to Healthy Food, Active Living, and Mental Health. Applicants need to complete a brief online application. The designation is valid for 3 years, at which time cities/towns can reapply. Application deadlines: March 1st and August 1st.

Below is a sample outreach email to encourage cities and towns to apply to become a **Healthy Utah Community**. Please personalize as much as possible.

Sample Outreach Email Template

Dear [CITY/TOWN],

I am reaching out to let you know about a new designation program for cities and towns, **Healthy Utah Community**, presented by Get Healthy Utah and the Utah League of Cities and Towns.

Where we live, work, and play impacts our ability to reach our full health potential. Cities and towns are uniquely positioned to improve local health conditions in a way that helps all residents live healthy lives. **Healthy Utah Community** is a way to highlight and recognize the work that is being done to improve collaboration, access to healthy food, active living, and mental health.

I know [CITY/TOWN] has been working hard on these types of efforts, and I think it would be a great time for you to apply for the designation so that others can see the good work you are doing in your community.

The **Healthy Utah Community** application is simple and easy to complete. Applicants must have a community coalition and at least 6 other strategies (for a total of 7) from the categories of collaboration, access to healthy food, active living, and mental health. After completing a checklist, applicants will answer a few short essay questions. Application deadlines are August 1st for September recognition and March 1st for April recognition.

This is a great opportunity to showcase the work you are doing to support healthy living for all residents. I hope you will apply. The **Healthy Utah Community** application can be found at **GetHealthyUtah.org/HealthyUtahCommunity**. Please let me know if you have any questions.
